THERE'S STRENGTH IN NUMBERS

Other insurance companies have come and gone. NYSIR has continued to grow. With financial turmoil all around us, NYSIR's numbers couldn't be better. Rock solid, in fact.

- A reciprocal model that reduces insurance costs
- Stable rates
- Financial strength and security
- Preeminent risk and claims management
- Aggressive legal teamwork against false claims

For more information on NYSIR's comprehensive and cost-effective property and casualty insurance program, call Executive Director, Joe Goncalves, at 800-476-9747, ext. 1468.
